# Open Trivia

## **Provides:**

This API provides a way for you to add trivia questions to your software

### Key Provisioning:

Pain factor (0=ezpz...5=nightmare):

- Visit the website and acquire a session token by filling out a helper form.
- Use the link and you are set

#### Quotas:

- Only 1 Category can be requested per API Call. To get questions from any category, don't specify a category.
- A Maximum of 50 Questions can be retrieved per call.

#### The Good:

- Easy to use
- Free
- Session tokens are easily attainable

#### The Bad:

- Session Tokens are deleted after 6 hours of inactivity.
- Only MC or True/False format

## The Ugly:

NONE!
